

## 2015 -a very busy year

2015 was the second busiest year since the Water-Survival Box project was started in the summer of 2006 – with a total of 2,300 boxes being sent to eight disasters in 7 different countries. In 2010 we sent out a total of 2,950 boxes. The grand total since 2006 is 11,500 boxes – 47 disasters and 27 different countries.

Thanks to all our donors and volunteers who helped in 2015

### SYRIA

Hugo Pike and Luke Simon of School in a Bag with boxes ready for Syria. This consignment of 300 WSB and 240 School in a Bag has been sent by sea with a container from Hand in Hand for Syria. They are intended for the stricken town of Madaya

### INDIA

300 of our boxes are currently being distributed in Chennai thanks to the assistance of the India Red Cross and Rotary Clubs of Chennai Kilpauk and Madras South. These are for victims of flooding in the Tamil Nadu region.
