CORPORATE BENEFACTOR PLAN

WHAT IS A WSB CORPORATE BENEFACTOR?

A Water Survival Box (WSB) Corporate Benefactor is a company/organisation whose philanthropic goals align with those of the Water Survival Box charity: namely to bring relief and assistance to people in any part of the world who are the victims of natural or man-made disaster, trouble, or catastrophe.

The WSB charity achieves this by the swift delivery of essential survival kits including water filtration units, hygiene items, and basic tools to rebuild lives. Together, we can provide more help to more people at the time of their greatest need.

- Corporate Benefactor status will reinforce and demonstrate commitment to the company/organisation's Corporate Social Responsibility (CSR) objectives.
- By gaining Corporate Benefactor Status your company/organisation is eligible to receive and display the WSB Corporate Benefactor plaque.
